There was also a possibility of going the 18th. And I'm going to check with the Fiscal Staff on it. I understand, Senator Stromer just told me that arrangements have already been made with the..some of the Iowa Senators to meet on the 16th. Of course, I presume that by the 16th we will not be meeting in the afternoons because of committee hearings. So what we're talking about here basically is three hours on the floor. I don't know what the pleasure of the body is. You think Senator Marvel it would be better to stick to the 16th date. I think we should get decided.

SENATOR MARVEL: I think the 16th is the date by which arrangements have been made and unless there is serious objection to that date on the part of the majority of the Legislature I would hope we could stick with it.

SENATOR PROUD: Then Senator Marvel, just to get this off of dead center I'm going to move that we not meet on the 16th of January.

PRESIDENT: You've heard the motion now that we not meet on the 16th of January. Is there a need for further discussion of that motion. The motion is that we not meet. If you support that motion then. Well, let's try it by voice vote. If you support the motion that we not meet on the 16th, please say aye, if you are against that please say no. Then the chair would rule that we will meet then on the 16th. The motion is carried. All right do we have corrections for the Journal.
